Article 1 - General

The Special Terms shall apply without restriction or reservation to the Web Apps tool offered by Infomaniak Network SA (hereinafter, "Infomaniak") and to any natural or legal person (hereinafter, the "Customer").

They shall prevail over the General Terms should any conflict arise between these documents.

Only the French version of this document shall be binding.

Article 2 - Description of the service

In the context of providing the service, Infomaniak provides the Customer with a tool called Web Apps, which enables the installation of applications on a Web hosting space provided for this purpose.

Article 3 - Billing

The Web Apps tool is offered at no extra charge throughout the entire period of the hosting contract.

Article 4 - Infomaniak's Obligations and Responsibilities

The tool provided represents a free additional service offered on a voluntary basis. Infomaniak assumes no responsibility of any kind for the applications used. The installation and use of the applications provided on the admin interface shall be carried out at the Customer's own risk. In particular, Infomaniak provides no assurance or guarantee concerning the stability, reliability, quality, fitness for a particular use, or the specific results of these applications, and refuses any responsibility in this regard.

Article 5 - The Customer's obligations and responsibilities
By making content available through Web Apps, the Customer warrants that he/she is not in violation of the Special Terms that he/she accepted subscribing to the hosting service.

The Customer shall be responsible for the content of the site and maintaining its security.

Furthermore, the Customer agrees to:

- Apply security updates to the tool, modules and other items related to the tool

- Observe the license terms for providers/producers regarding the applications used

- Delete/uninstall any application that is no longer needed or no longer used

**Article 6 - Jurisdiction and applicable law**

The Customer agrees to comply with Swiss and international laws throughout the life of the contract.

Furthermore, Infomaniak shall endeavor to respect the judgments of the authorities of OECD member countries.

Any dispute in connection with this contract, its conclusion, execution or termination shall be subject to Swiss law, the exclusive jurisdiction being in Geneva subject to an appeal to the Federal Court in Lausanne.
