Infomaniak has a number of APIs that the Customer can access following authentication.

The APIs enable the Customer to benefit from the features offered by the Infomaniak admin console in order to automate operations associated with the Services.

1. Login

1.1 You shall access the APIs only by means of an API key provided in your Infomaniak account.

2. Scope of use

2.1 You shall follow the documentation provided in order to use the APIs.

2.2 You shall not attempt to hack or circumvent the functionality of the Services.

2.3 Infomaniak is entitled to monitor, limit or block use of the APIs at any time in order to verify or ensure compliance with these rules.

3. Confidentiality

3.1 Your integration must display a confidentiality policy for relevant users.

3.2 Your confidentiality policy must disclose the information that you will collect on them when they use the integration.

4. Ownership rights

4.1 Infomaniak holds all the rights, titles and interests relating to the Infomaniak APIs, including intellectual property rights, trademarks, codes and features.

4.2 You shall not misuse or copy our code, design or content.

4.3 You must hold all rights, including intellectual property rights, titles and worldwide interests pertaining to the integration, with the exception of our APIs, trademarks and Services.

4.4 If you submit feedback to us on the API or our Services, we are entitled to copy, amend, display, disclose, distribute and use this feedback or create works derived therefrom, with no obligation to compensate you.

4.5 All rights not expressly granted in this policy are reserved.

5. Representations and guarantees
5.1 You declare and guarantee that you will hold all the licences required for your integration and that your integration will not breach any laws or regulations.

6. Disclaimer

6.1 To the extent permitted by law, we provide the APIs “as is”. In other words, we make no guarantee, either explicit or implicit, including but not limited to matters concerning their merchantability or fitness for a particular use.

7. Updates

7.1 We may update or modify the APIs and this policy by publishing the changes made on infomaniak.com or notifying you by email. These changes may affect your use of the APIs or the way in which your integration interacts with the API.

7.2 If we make changes that you deem unsuitable, you must stop using the APIs. Your continued use of the APIs will be taken as acceptance of their modification.

8. Confidentiality

8.1 You may have access to confidential, proprietary or non-public information pertaining to the Services.

8.2 You may make use of this information only to utilise and develop your integrations with the APIs.

8.3 You shall not disclose confidential information to anyone without our written consent and shall protect it against any unauthorised use or disclosure in the same way you would protect your own confidential information.
